## *Her perfect ass was a major distraction and almost ruined my game*

I belong to a bowling team called the B.B.B.'s, B.B.B. stands for Big Ball Busters and it's sort of a joke with us guys. Well this night a women's team was bowling next to us, the Alley Cats, and I saw this one girl with short, torn off jeans. Each time she released the ball, she leaned way over, stuck her ass in the air and stretched her leg way back you could see the round curve of her delicious ass. I couldn't keep my eyes off her and my score dropped from my average 162 to 129, but even so,

# UP THE ALLEY

I really enjoyed myself watching that great ass and those beautiful legs in action.

I kept thinking how it would feel to pump my cock into the babe and when the game was over, I headed out into the parking lot to head the babe off. I asked if she had a lift and she said one of the team would take her home, so I offered and in minutes she sat next to me, that wonderful ass on a sheepskin seat in my new van.

We got into all sorts of double moaning stuff and it was funny as hell. I told her I bought a pair of new bowling balls and my scores went down. "I guess my balls are no good," I said and we both laughed as she said, "I wouldn't say that." Then when she asked what B.B.B. stood for, I told her and by that time we were pretty friendly. She got even friendlier after I took her to the Town Barn, a country music joint, and bought her a few drinks.

I told her that she, or maybe it was her ass, that ruined my game and she got up in the Van, turned around and displayed it and asked how a "little thing like this" could ruin a bowling game. I told her I kept imagining how it looked inside her jeans and my concentration on bowling was shot.

"Did you imagine it looked like this?" she asked, pushing her tight jeans down slowly so they moved down over those big round white cheeks.

I was so hard my cock hurt as I watched the ass strip-tease. When she got her pants down past the big white globes of her ass and it was all exposed, I couldn't stand it anymore and I grabbed her and began to kiss her and feel that soft and jiggly ass of hers. She moaned and pushed her tongue into my mouth and I reached around her and stuck a finger up her asshole.

"Oh, sweetie!" she whispered, rubbing my throbbing rod through my jeans. "Why not get comfortable and take your poor cramped thing out for Laura?"

As I slipped out of my jeans, she took off her top. Her titties were very small and almost all nipple. They were pink and shaped like two small ice cream cones, pointy at the ends, made for sucking. As I lapped and sucked them, I pushed another finger into her ass and she squealed like a wild hog and grabbed my balls like she was going to tear them off. I really hurt good.

I wondered if I could substitute my cock for my two fingers up her asshole and I decided to try. Laura seemed to know what I wanted and she said, giggling, "Oh, you guys! You always want the same thing from me," as she leaned down and spit on my hard cock and rubbed it all over. Then she stretched out on the carpet and spread. "Will you kiss me there first?" she asked shyly.

I kissed that babe, licked her and sucked her big wet snatch, and she twisted, pulled and slapped my cock and balls until we were going

***I WONDERED IF I COULD SUBSTITUTE MY COCK FOR MY TWO FINGERS UP HER ASS-HOLE AND I DECIDED TO TRY. LAURA SEEMED TO KNOW WHAT I WANTED AND SHE SAID, GIGGLING, "OH, YOU GUYS! YOU ALWAYS WANT THE SAME THING FROM ME,"***

crazy. Finally, she got up on her knees, stuck her ass in the air and turned her head. Smiling, she said, "Take my temperature, doctor?"

I was so hard I hurt as I bent my knees and faced her hairy hole. She was coming like a virgin and I rubbed her wet pussy then, moved her juice into her asshole with my fingers. Then I socked my cock to her.

Laura had to steady herself by holding the table as I reamed her hole hard, my big cock riding into her big opening easily.

"Give it to me, honey," she cried, wiggling her hips and moving her ass as I fucked her.

"Get it way up into my belly. Way up!" she panted as I pumped into her. "Oh, I love it!" she yelled and I pumped harder, my balls swinging

back and forth.

She reached back and squeezed my balls as her ass pumped and turned so I thought I was fucking a mixer. I held her tight by those tiny tits as I bucked it to the babe. She was really getting the fucking she deserved and she loved it. And so did I.

I've heard about certain parts of a pussy that trigger girls off if a guy hits them, like her clit and what have you. I don't know what Laura had up her asshole, but whatever it was, I knew I hit it when she screamed and almost broke my balls, she squeezed them so hard. Before she was done yelling, the cum started to spurt out of my hard cock and I felt it shoot like one of those syringes up that babe's shit hole.

She tried to move aside, but I gripped her waist hard and pumped all of that fuck juice way up in her ass. I was still hard and still pumping when she began to collapse and I had to practically hold her around her waist so I could keep her up and getting the benefit of my still rock hard cock.

**SHE REACHED BACK AND SQUEEZED MY BALLS AS HER ASS PUMPED AND TURNED SO I THOUGHT I WAS FUCKING A MIXER. I HELD HER TIGHT BY THOSE TINY TITS AS I BUCKED IT TO THE BABE.**

Finally, I pulled it out and it was like pulling your shoe out of a mud hole. I heard the suction as my cock popped out and I got hotter. As I turned her around to play with those cute titties, she stared at me, glassy-eyed, saliva running down her chin and her mouth open and slack. I had to laugh then because this fucked out chick had one hand down on her snatch and she was trying to finger-fuck herself. God, didn't she get enough?

"Kiss me, love," she panted, "I love you. Kiss me and put your cock here." She pointed to her sloshy-wet pussy. I held her in my arms and tongued her mouth as she sat on my lap and reached under her ass to grip my wet prick and insert it into her hairy box. As it slid in on the creamy tide, she sighed arid then beg n to work her hips; back and forth, then from side to side. I pulled at those tiny tits and sucked the pointed nipples and she squeezed her pussy together and milked my cock until I shot a big load into her pussy.

Later, she laughed and said, "You sure were wrong when you said your balls were no good."

It was the greatest fuck I ever had!

dicking in the dark

*She was the sexiest chick I'd ever met,  
and once a month she was all mine...*

**The lights went out and the spark came to life**

It was a dark, stormy night as my girlfriend Cindy and I were sitting watching television. There was a clap of thunder and the next thing we knew, the lights went out. "Oh God!" Cindy cried out, clinging desperately to me.

"I'll get a flashlight," I told her, "if I can find the kitchen." It was totally black in the house, no light except for the occasional flashes of lightning outside.

"No, don't go," Cindy pleaded. "Please stay with me." I explained to her all I wanted to do was find a flashlight. She responded by pulling me close, her hot flesh brushing against my clothing. I could feel the warmth from her skin.

I got an immediate erection. Lord knows how she always turns me on and gets me rock hard in record time. But this was different. Special. Her helpless little girl attitude, hands moving against my body in total darkness, aroused me to a fever pitch. I responded by reaching down her sweater, cupping her breasts and massaging her nipples until hard.

I kissed Cindy hard on the lips while reaching one hand down the front of her jeans until my fingers rested against

her vaginal lips. Just as I began to rotate my fingers inside her, the lights came back on and the spark that lit the sexual flame was quickly snuffed out. I immediately withdrew my hand from inside her panties, sitting back, puzzled by my impulsive actions.

Cindy stated at me, eyes wide. "What the hell was that all about?" she questioned, rearranging her clothing.

"It was the strangest thing. When the lights went out, your fear made me so horny I felt like ripping off your clothes and making love to you right then and there."

"Really?" was her reply, almost quizzical in nature.

Cindy hated the dark so much she'd always insisted we fuck with the lights on or in the morning. So I told her: "Total darkness was a terrific turn-on. I wanted you more than I've ever needed you before."

Cindy's look changed from quizzical to interested. She stared down at my groin. "I see how excited you were. You know, I've always hated the dark but I have to admit it was kinda sexy, the way you grabbed my tits, and then worked over my pussy lips. A guy could get away with almost anything in the dark, couldn't he? A woman would have a difficult time protesting, because she couldn't see what would be coming next."

dicking in the dark

Cindy licked her lips, almost coyly. "I'd say your hands have a special homing device, the way you zeroed in on my sensitive areas. I guess you know my hot spots by now." The impish grin on my girlfriend's face told me the gears were turning inside her head. If I knew Cindy, it would be pleasure oriented, whatever she was thinking. Cindy glanced down at her watch.

"Hmm... it's 10:30 and I've lost all interest in watching TV. Why don't we get to bed early tonight? Maybe we can have another power failure, but this one won't be caused by nature. It will be because of this." She raised her finger into the air, clicking off the lamp switch beside us. "Well, what are we waiting for?" she continued. "I wouldn't mind a bit more sex in the dark."

Cindy, bless her little heart, was always game to trying new and varied sexual scenarios. She always did her utmost to enjoy whatever I had in mind. Somehow I had the impression it would take little convincing to get her to enjoy our impending session in the sack.

"Why don't you put on your sexy lingerie?" I requested.

"Why? You won't be able to see what I'm wearing."

"I'll still feel what you're wearing. While I'm groping in the dark, I want to feel your silky stockings, which lead me right up to another velvety smooth area of yours." Cindy got the idea.

She stripped and went to the dresser, making her selection of lingerie. She put on a black lace bra; the type with holes cut out in the nipples. Next came the satin garter belt and ultra-sheer black seamed stockings.

"Just perfect," I muttered. It was time for the main event. Cindy's body was trembling, shaking like a leaf on a windy day. She was anxiously awaiting our lights-out liaison. It is

always the thrill of the unknown, that first-time experience that makes a sexual encounter that much more satisfying. Cindy lay on the bed, spread her legs and exposed her scintillating slit, where a few drops of her pussy juice had oozed out of her slit.

"Hope you can find my hole," she said playfully.

"No problem," I answered, looking down at her appealing pink lips. "All I have to do is follow my nose."

With that I closed the curtains and turned off the bedroom light. Pitch black surrounded us.

"Come on, honey," she said in a low tone of voice that sent shivers up my spine. "Come and get it. Hurry. I need to feel you inside me."

I moved in the direction of the bed. I felt the railing on the bed. Now I was only inches from Cindy. I reached out, my fingers brushing along Cindy's hosiery. I moved my fingers up and down her leg, bending over once to lick at her nylon-dad feet. When my hand was within inches of her tunnel, I traced a line with my finger around her pouty lips. Cindy let out a soft moan. My fingers were dampened with her dew drops, as they continued their journey around her vaginal lips.

I put my fingers to my mouth, tasting her bittersweet potion. I knew Cindy was on fire, in sexual torment, waiting for me to make the first move. I buried my tongue inside her slick hole effortlessly, even though the darkness surrounded us. My tongue darted about, touching every inch of her succulent depths. She moved her hips wildly, in an effort to better accommodate my probing tongue. I nibbled her clitoris, tongue nudging against her swollen rosebud. I soon found out the absence of the usual light made our sounds act as an aphro-

disiac. Her gasps drove me onward, becoming music to my ears.

Cindy moved her hands down as if to push my face further into her crotch. I wished I could have probed deeper, but there was no more room. A minute later, Cindy reached her sexual peak. I tasted her juices as it flooded over my tongue. I lapped up every drop of it, the tangy flavor lingering in my throat.

I mouthed one breast that poked through her bra. I licked it lovingly while rubbing the nipple on her other breast. More sounds of ecstasy filled the air. I was now like a machine. There was no stopping me. I moved further up on the bed toward my girlfriend's face. I was dying to discover what type of blowjob she could give me in the dark.

In a well-lit room, she gave new meaning to the word cocksucking. What would she do in the dark? I couldn't wait.

"Hurry," she said. "I want to feel your cock down my throat. Let me suck you till you cum all over my face."

I couldn't believe she had said that. This evening's discovery had changed her from a mild-mannered female into a raging nymphomaniac. A few months ago when I suggested jerking off on her face she nearly hit the roof, informing me, "There are some things I just won't do."

I straddled Cindy's face with my legs cradling her head, bringing her mouth up to meet my prick. I'm glad we weren't having any problems in this game of sexual hide and seek. Even in the dark, finding her mouth was like child's play. To top it off, we were even saving money on the electric bill.

Cindy's tongue was busy bathing my dick with pleasurable sensations that seemed to shoot throughout my entire body. She ran her flickering tongue up and down my rigid rod.

I floated off into a euphoric world. This was heaven. This dark room fantasy was turning into ecstasy as Cindy's tongue all-out assaulted my cock, anxious to make me explode in her throat. Moments later I tensed as my cum blasted deep into her mouth. Then I pulled out just in time to allow bursts of cream to splatter in her face.

Finally I collapsed on the bed beside her. "Did you want me to turn the lights back on?" I asked her.

Without the slightest hesitation she replied, "Are you crazy? Besides, the night's still young and you haven't 'formally' fucked me. I think it's time for the grand finale."

An instant later I eased between her thighs, balancing my hands on either side of her head. I ran my shaft along her outer lips, and then with one quick motion impaled her. "Fuck me hard!" she cried out through clenched teeth. Her inner pelvic muscles gripped hard at my cock. Her hips gyrated spasmodically, almost out of control, intensifying the pleasure my pulsating piston felt. My cock slid back and forth as I felt the sexual electricity building. We cried out as we came simultaneously. My cock shot more milky white sperm into her passion pit, and her juices flowed into mine.

I remained inside her long after my pistol was empty, wanting to stay there forever. We fell asleep in each other's arms, not waking up until we saw the rays of the sun. From the contented look on Cindy's face, I knew we would be trying this again. She's no longer afraid of the dark, and with good reason. It's now more erotic than ominous.

I smiled as I recalled a snatch of a famous song that says, "Turn out the lights, the party's over." Well, when you turn out your lights, the fun and games will be just beginning.
